Parent Involvement

The School Improvement Group provides parents with an opportunity to be involved in the academic program of the school. The SIP develops, monitors, and evaluates the Single Plan for Student Achievement (SPSA) to implement programs and services that support students.

activities at your school.*

Title I Funds (cont.)

- A part of the school's total Title I budget is for parent involvement activities.
- Schools in Program Improvement must set aside a minimum of 10% for professional development.

The Title I Parent Involvement Policy

Every Title I school, in collaboration with parents, must prepare a site level parent involvement policy. The Parent Involvement Policy describes how the school will involve the parents in an organized, ongoing, and timely way in the planning, review, and improvement of the Title I program at the school.

Our Title I Parent Involvement Policy

Provide copies of the school's Title I Parent Involvement Policy and invite input from parents. Describe how the Policy is distributed to parents each year.
