

West Wendover High School Song

Words by graduating classes of 1997-99

(to the Notre Dame Victory March)

We're Wolverines from West Wendover High.

Our school's the best and we'll tell you why.

We fight with all our might to win that victory in sight.

Go burgundy!

Go black and white!

Stand up and shout it for the west side.

Fans show your colors; fans show your pride.

Come together Wolverine spirit,

United - we will never die!

Never give up and

never give in.

Wolverines keep fighting until the end.

West Wendover is here to stay.

Let's hear it for west side pride!
